## 6 STEPS TO REFERRING OTHERS

**Step 1:** Today, think of people that you think could be interested in joining you on an 8-Day Challenge, and contact them personally. Share some of what you heard, what makes you want to try it, and ask them to do it WITH you!

**Step 2:** Make your first Facebook post! Something like this... "So very excited to be getting control of my health! I will be sharing an 8-Day Challenge soon They say it's guaranteed to help me lose between 5-15 lbs. Who wants to join me? Avoid saying Xyngular, and send them info through private messages.

**Step 3:** As you get interest, refer them on to the person you signed up with. They can get them all the info, answer their questions and still sign them up under you! The best way to do this is a 3-way call with your sponsor and friend.

**Step 4:** Post the night before you start your challenge. "Tomorrow I start my 8-Day challenge --can't wait to see my results? Any more joiners?"

**Step 5:** Post your results as you go. Not just weight loss, but more energy, no headaches, etc.

**Step 6:** Book your Transformation Party with the help of your sponsor/up line! Invite, invite, invite to your launch party.
